

of Groups I and II, could be performed without serious burden. MPEP §803 clearly states that "If the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though it includes claims to distinct or independent inventions." (emphasis added). It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to the applicant in duplicative examination by the patent Office.

The Examiner is respectfully requested to reconsider and withdraw the Restriction Requirement and to examine all the claims now pending in this application.

In accordance with this election with traverse, Applicant reserves all rights in the non-elected claims, including the right to file one or more divisional applications covering the subject matter thereof.

Respectfully submitted,
